

UVic ENVIRONMENTAL LAW CENTRE and VICTORIA GOLDEN RODS & REELS SOCIETY

Present a Public Forum:

**Elk/Beaver Lake “A Tale of Two Lakes” —
Can aging lakes be rejuvenated?**

Thursday, Oct. 29, 2015, 7 pm – 9 pm

Law Lecture Theatre 159, Fraser Building, University of Victoria

- ❖ Dr. Rick Nordin, BC Lake Stewardship Society: *What’s Going On Inside Elk/Beaver Lake?*
- ❖ Erin Gray, JD, Articled Student, Environmental Law Centre: *Best Case Practices in Lakes Management*
- ❖ Deb Epps, MSc., RPBio, BC Ministry of Environment: *Progress Report on Remediation Options*

The Elk/Beaver Lake Stewardship Initiative is a multi-jurisdictional venture involving the Province of BC, Capital Regional District, and District of Saanich, in cooperation with the volunteer sector, to improve water quality for all recreational users. Funding and/or volunteer resources and in-kind contributions provided by

- Canadian Wildlife Federation
- BC Wildlife Federation
- BC Lake Stewardship Society
- Habitat Conservation Trust Foundation
- Freshwater Fisheries Society of BC
- Peninsula Streams Society & Colquitz Coalition
- Victoria Fish & Game Protective Association
- Victoria Rowing Society, Rowing Canada, & Victoria City Rowing Club
- Victoria Golden Rods & Reels Society

Please arrive early and visit with stakeholders at their information booths from 6 – 7 pm.
